

**INDEPENDENT AUDITOR'S REPORT  
NON-RESIDENT NEPALI ASSOCIATION**

**Report on the Audit of the Financial Statements**

**Qualified Opinion**

We have audited the accompanying financial statements of Non-Resident Nepali Association (NRNA) ("the NGO"), which comprise the Statement of Financial Position as at Ashad 32, 2079, (July 16, 2022), the Statement of Income and Expenditure and the Statement of Cash Flows for the year then ended on that date, and a summary of the significant accounting policies and other explanatory information (hereafter referred to as "the financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the matter described in the Basis for Qualified Opinion paragraph, the aforesaid financial statements presents fairly, in all material respects, the financial position of the Non-Resident Nepali Association (NRNA) as at Ashad 32, 2079 (July 16, 2022), and its financial performance, cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, in accordance with the relevant accounting practices and accounting policies disclosed in notes to account and other prevailing laws.

**Basis for Qualified Opinion**

- i. Included in Property, Plant & Equipment, shown on the statement of Financial Position is Land and Building amounting to NRs. 127.88 million and NRs. 153.76 million respectively (Schedule 1 of Notes to Accounts). The Land located in Baluwatar, where the building has been constructed is under dispute of ownership and Bhumisudhar Tatha Malpot Karyalaya has initiated legal case which is still pending in special court.  
  
In view of the above facts and the matter that the legal case is still pending at Special Court we couldn't verify Non-resident Nepali Associations ownership over such assets.
- ii. In respect to ILO project, goods and services are procured from the foreign countries where invoices received are also in foreign currency while the payments are made by the association in the Nepali joint account of NCC President and Treasurer of respective countries with notification to Ministry of Foreign Affairs. Total expenses incurred outside Nepal during the year 2078/79 is NRs. 19.17 million.
- iii. The association has not specified various funds into designated and undesignated funds. Due to which earmarked fund balances and their corresponding bank balances have not been reconciled.

We conducted our audit of the financial statements in accordance with Nepal Standards on Auditing (NSAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Non-Resident Nepali Association (NRNA) in accordance with the Handbook of The Code of Ethics for Professional Accountants issued by The Institute of Chartered Accountants of Nepal (ICAN), and we have fulfilled our other ethical responsibilities in accordance with the ICAN's Handbook of The Code of Ethics for Professional Accountants. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Non-Resident Nepali Association's Management is responsible for the preparation of the other information. The other information comprises the information included in the Management report and other progress reports but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial Statements in accordance the relevant accounting practices and accounting policies disclosed in notes to account and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud and error.

In preparing the financial statements, management is responsible for assessing the Non-Resident Nepali Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Non-Resident Nepali Association or to cease operations, or has no realistic alternative but to do so.

The members of International Co-ordination Council (ICC) are responsible for overseeing the Non-Resident Nepali Association's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with NSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with NSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Non-Resident Nepali Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Non-Resident Nepali Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Non-Resident Nepali Association to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
